Act 126 training

It has come to our attention from the PA Department of Education Office of Safe Schools that the Act 126 Child Abuse Recognition and Reporter training provided through PITT which we have been recommending does not contain the mandatory Educator Discipline Act portion of the training.

The Union City Area School District now contracts through Safe Schools which does provide the Child Abuse Recognition and Reporter Training as well as the Educator Discipline Act Training, both of which are required for employment in our School District.

Once you are School Board approved for employment in our District, you can take the needed Act 126 training(s) through our Safe Schools account by contacting the Secretary to the Superintendent and School Board, Ann Sill, at asill@ucasd.org.

Below is the link from the PDE website which shows the PDE-approved providers for Act 126 training and what components they cover.
