## WINTER MESSAGE

As we prepare for a frigid cold and snowy winter, please take time to shovel your sidewalks. Many students who walk to school every day are forced to walk on the roads because the sidewalks in town have not been shoveled. This situation poses a danger to our students as they travel back and forth to school. Additionally, as students travel back and forth to school each day, we encourage them to dress for the weather. Hats, boots, gloves, coats, and scarves are encouraged. If your child does not have warm clothing this winter, please do not hesitate to contact either Mrs. Tomcho, Mrs. Smith, or Mr. Keefer at the MS/HS office for assistance in getting these items. As always, we are still offering the backpack program to families in need. If your family needs help with food this year, please send your child to talk to Mrs. Tomcho

### BREAKFAST CLUB!!

The high school breakfast club was back in action on Wednesday, November 21. Staff members came in early and served eggs, sausage, donuts, and French toast to some of our fall award winners. All region athletes and team champions were among those honored. The faculty and staff also joined in the celebra-

### SEVERE WEATHER DRILL

The Union City School District conducted a severe weather drill on Thursday, October 8 in cooperation with the Erie County Emergency Management Service. The goal of the drill was to look for areas of improvement in the case of an actual emergency and to document any concerns so they can be addressed by the Safety Committee. The drill was a success and concerns were documented and sent to the Emergency Management Service.
