## CROSS COUNTRY STATE RUNNER-UP

The girls cross country team finished yet another successful season. They swept the dual meet season and won their second consecutive Region 4 Title. They then went down to the District 10 Championships and dominated the competition to win the District Championship. The victory qualified them for the PIAA State Championship in Hershey. The girls ran against a competitive field and brought home the PIAA State Runner-Up trophy to a warm reception held at the high school.

11/22 - 11/26 Thanksgiving Break

## UNION CITY FOOTBALL - REGION CHAMPIONS!!

The football team wrapped up the Region 2 with a 44-26 victory over rival Cambridge was the first school history league championship since 2000. The Bears also made history this season by having the first dual 1,000 yard rushers in Gavin Henry and Brayden Kinney. They closed out the season with a tough loss in the playoffs to a very talented West Middlesex team. They played exciting football and made the community proud with their hard work and dedication all season long.

Family: Daughter (Cailyn) - 13, 2 sons (Phillip) - 11, and Gunner (7)

Hobbies: Singing, hiking, traveling, road trips, camping, and watching horror movies and comedy movies.

## TELEVISION MONITORS SPRUCE UP ENTRANCES

You will notice a new feature in the main entrance and gymnasium entrance of the middle high school. The Union City PTO purchased two large television monitors that are mounted on the walls. The television in the main entrance displays announcements about school life, activities, and upcoming events. The television in the gymnasium entrance announces athletic accomplishments, posts upcoming athletic events, and has photographs of the different athletic teams. Both of the televisions add a life to both entrances and promote some of the best things going on around the school district. Thank you
