

5902 INSPECTION OF INSTRUCTIONAL MATERIALS

- A. Parents/guardians and students have the right to inspect any instructional material used as part of the educational curriculum for the student.

- B. The term “instructional material” means instructional content that is provided to a student, regardless of its format, including printed or representational materials, audio-visual materials, and materials in electronic or digital formats, such as materials accessible through the Internet.

- C. Parents/guardians and students must request a review of instructional materials in writing to the Superintendent of the School District. Within ten (10) days of receiving a written request by a parent/guardian or a student, the Superintendent will respond by setting forth the date, time, and place of the review of the instructional materials.

- D. When instructional materials are being reviewed, an employee of the School District must be present in order to ensure that the materials are not destroyed, altered, or removed from the School District.

- E. The Superintendent shall provide notice of the right of parents/guardians and students to review instructional materials. This notice shall be provided at the beginning of each school year.
