## ANNOUNCEMENTS

**The HS Student Council** would like to thank everyone who donated toward the Holiday Food Drive. We collected \$259 and over 340 food items. All money and food will be donated to the Union City Food Pantry.

**Congratulations** to these chorus students who have won Best Buy gift cards as the top five sellers in the 2009 Chorus Department fundraiser:

1<sup>st</sup> place - \$100 Gift Card – Mikayla Conant who sold \$535

2<sup>nd</sup> place - \$75 Gift Card – Brittany Higley who sold \$456

3<sup>rd</sup> place - \$50 Gift Card – Alex Hyer who sold \$349

4<sup>th</sup> place - a tie between Jena Donor and Autumn Rumsey who each sold \$197. They will receive a \$15 Gift Card and \$15 cash, respectively

These students can drop by the chorus room and pick up their prizes from Mrs. Thayer, personally.

**A reminder for Musical Production class members:** If you are considering auditioning for a main character and would like to see the music for songs that character sings, please ask Mrs. Thayer for copies. It would be a good idea to spend a little time over Thanksgiving break and in the next few weeks rehearsing and preparing for auditions which will likely take place the third week of December, the specific time TBA.

**All U-Clan boys** who ordered a jacket or sweats, please get your money in to Mr. Becker not later than Friday, December 4.

**The Middle School Student Council** is selling City of Erie coupon books. Each book is \$20.00 and contains \$1500.00 worth of coupons. We will be selling them until Dec. 2<sup>nd</sup>. Books will be delivered before Christmas Break. Staff can contact a MS SC member, Mr. Morris, or Ms. Frick..

**Open House Night in Astronomy** on Thursday, December 3, 2009 at 7:30 p.m., at 101 Otto Behrend Science Center, hosted by Dr. Roger Knacke, Professor of Physics and Astronomy. The theme will be THE CHRISTMAS STAR. Professor Roger Knacke will discuss what the Star of Bethlehem might have been. Many theories for the star have been proposed—that it was a comet, or a meteor, or an exploding star, or a conjunction of planets. Dr. Knacke will examine the Bible's description of the star, and compare it with astronomical evidence to suggest a plausible explanation. A computer simulation of the skies over Bethlehem more than 2,000 years ago will show what people might have seen and interpreted as a miraculous star.

Admission is free and the event is open to the public. The lecture is intended for a non-technical audience. Astronomical observing from Penn State Behrend's Mehalso Observatory will follow the lecture, weather permitting. For more information, contact the school at 814-898-6105.

**No students** in grades 8-12 should be in the 6<sup>th</sup> grade wing before school or after school unless they are interning with a faculty member in that wing.

**Any student in grades 9-12** interested in this year's American Legion Oratorical Contest, please pick up a registration form from Mrs. Hunter in the reception office. Please see any social studies teacher for additional information.

**Attention all students:** The price for a yearbook will be \$60.00 beginning Monday, November 16. It will be \$60.00 for the rest of the selling time. The last day to purchase a yearbook is Friday, December 18. We will not be ordering many extra books this year, so if you want a yearbook, make sure you purchase one by December 18 from Mrs. Mumau.

**The December calendars** are available in the reception office.

### **Affordable Art Classes for All Ages**

Sign up now at the Community  
Art Center on Main Street or call  
Amber at 438-2219-class sizes limited

#### \*Clay Animal Sculpture with Kathe Umlauf
