UCASD Families,

We are excited to welcome your children back from summer break! We want to provide you with information regarding what meal service looks like for the 2021-2022 school year. It is our sincere hope that we can make breakfast and lunch as enjoyable and worry free as possible for our students/your children. We cannot guarantee that policies and procedures will not change throughout the year; however we can assure you that we will keep you well informed as we navigate this school year together!

Breakfast in both buildings will be served and consumed in the classrooms. Students will elect to receive a meal each morning on a day-to-day basis. Milk will also be available daily for breakfast. All food safety and sanitation guidelines set forth by the Department of Health Food Code will be followed. Breakfast meal components follow USDA guidelines and meals are free to all UCASD students. Menus are available on the UCASD website and we encourage you to review with your students so that you may help them decide whether they will choose breakfast on a given day. Lunch will be served and consumed in our building cafeterias. We are doing our very best to keep the lunch menu options varied, allow for customization and have a wide variety of produce options available. Please bear with us as menus may change based on product availability. Our vendors are working with us to limit changes. Lunch menus are available on the UCASD website. Dining room tables are cleaned and sanitized between each meal seating. Students will need money in their meal accounts if you wish for them to be able to purchase extras or a la carte items. If you would like to deposit money into your child's account please use the following methods: 1. Deposit money using the online School Café system (information is on the UCASD website) OR 2. Place cash or check (made out to UCASD Food Service) in an envelope with FOOD SERVICE and student's name on the front. At the elementary level students should give the envelope to their homeroom teacher. At the MS/HS level students may drop the envelope in the Food Service deposit box in the cafeteria or the HS office.

Students who currently have a physician ordered meal accommodation plan on file will continue to receive modifications. IF we need to make changes to standing orders please contact Krista Byler at kbyler@ucasd.org or (814)438-7673 x 5466 as soon as possible. If your student is new to the district or has a newly ordered meal accommodation necessary please have your child's physician fill out the Medical Plan of Care form found under the Food Services tab/Food Service Forms on www.ucasd.org and send via email or mail as possible. If mailing forms please use the following address: UCASD Food Service Department, Attn: Krista Byler, 107 Concord Street, Union City, PA 16438.

We take great pride in feeding our Bears!

Krista Byler, District Chef/Food Service Director
